

## VIRTUAL DRIVING TRIAL - Result

Friday 22nd February 2013 at 7.30pm

Wolverley Church Hall, DY11 5 TH

What a super evening! Bitterly cold outside, but warm and friendly inside. Thirty-four members and friends gathered for some home cooked food and some scrummy puds. - Oh, and a glass or two of wine!

After the food, David Smith had designed a Virtual Trial.

We first invented this competition format in 2001, when Foot & Mouth Disease prevented us from holding driven events.

The Dressage phase showed up some weaknesses in general knowledge, and it might even be said that there were several errors of course!

Cones followed – quite a challenge. Having walked the course, the ‘Driver’ then sat in a wheel chair, and was propelled around the course by the Groom – blindfolded!

The time was recorded, and the faults noted, but the crushed cones were ignored.

The leader board then started to take a different shape.

The Marathon consisted of an obstacle formed from chairs, lettered A – E. The ‘carriage’ consisted of a hockey stick used to propel a jelly ball.

It was all great fun for participants and onlookers alike.

The number of eliminations for missing either gate B or gate E proves that there is definitely a need for more training within the Club!

### Results:

1st Dreamliners	80 points -	clear round cones Julie & Jason
2nd Baches	97.8 points -	clear round cones - Gill & Tony
3rd Lower Penn	119 points -	clear round cones - Carol & Tony
4th Madge & Peter	130 points -	clear round cones - Madge & Peter
5th George	105.2 points -	2 penalties - Kellie & Dan
6th Dynamites	110 points -	4 penalties - Kerrie & John

Our thanks to the members who provided the food, to David for organising, and to Linda for all her hard work, including managing to keep track of the scoring - and thanks to all those who turned up.
